

Miss Nettie Blackmore, Minneapolis, tells how any young woman may be permanently cured of monthly pains by taking Lydia E. Pinkham's Vegetable Compound.

"YOUNG WOMEN:—I had frequent headaches of a severe nature, dark spots before my eyes, and at my menstrual periods I suffered untold agony. A member of the lodge advised me to try Lydia E. Pinkham's Vegetable Compound, but I only scorned good advice and felt that my case was hopeless, but she kept at me until I bought a bottle and started taking it. I soon had the best reason in the world to change my opinion of the medicine, as each day my health improved, and finally I was entirely without pain at my menstrual periods. I am most grateful."—NETTIE BLACKMORE, 28 Central Ave., Minneapolis, Minn.—\$5000 for it if original of above letter growing genuine cannot be produced.

If there is anything about your case about which you would like special advice, write freely to Mrs. Pinkham. She will hold your letter in strict confidence. She can surely help you, for no person in America can speak from a wider experience in treating female ills. She has helped hundreds of thousands of women back to health. Her address is Lynn, Mass.; her advice is free.

SLIGHT CAUSES FOR WAR.

Bloodshed Often Begun With Very Little Provocation.

At least it was no small matter that brought Russia and Japan to hostilities. There was a good deal of truth in the saying that England drifted into the Crimean war without knowing exactly why it did so. No less accurate was Lord Palmerston's familiar declaration concerning the Schleswig-Holstein troubles. Only three men in Europe, he said, ever knew what those war-making troubles were. Two of the men died before the war broke out and the third forgot what was the point in dispute. A slighting reference by Frederick the Great to Mme. Pompadour was one of the exciting causes of the seven years' war. An overturned glass of water was one of the contributing elements to another. The omission of a simple "etc." was the peg upon which an earlier one was hung. The theft of a lady's petticoat brought Moors and Spaniards to bloodshed. The smashing of a mandarin's teapot was the basis of a war between the imperial forces of China and hill tribes which lasted for generations.

Statutes Oddly Worded.

Years ago the British parliament passed a bill for the rebuilding of a jail at Chelmsford. It was agreed that the prisoners should be confined to the old jail while the new one was building. The new one, however, was to be constructed from the materials of the old one. In the reign of King William IV. a statute was passed fixing the punishment of fourteen years' transportation for a particular offense. It added: "Upon conviction, one-half thereof shall go to the king and one-half to the informer." Just why the king should be transported for half the term the person who drew the act round it impossible to explain, since he had merely made a ludicrous blunder.

PULS'S CURE FOR CONSUMPTION

Roses. There are roses fair In this world of care; A garden of joy for each, And the blooms are red In their scented bed. Low down within our reach!

There is joy and hope For the souls who groan; A quota for every one! Why not kiss the rose As it gently blows "Nearer the blazes of the sun?"

There are thorns as well And the thorns are knell— Else why do we raise price? In the glow of morn' Brush aside the thorn And breathe where the rose bed lies!

There is much to do And the years are few— Dwell not upon human woes! But accept the thing That the troubles bring And turn to the glowing rose! Fill your heart with flowers For the trying hours. And hope for the better things! There is peace in this, And there's cheering bliss In the thought the rosebud brings!

Discords.

It is rumored on what is considered good authority that it is alleged by the school directors of Sleepy Hollow that a report is believed to be in circulation in Chickasaw county that a man was seen in Kempton the other day from Argyle, who had received a letter from Chicago in which it is thought to have been stated that stories are told by the weather man to the effect that we may have an early spring next spring and a red hot summer next summer, with cyclone trimmings.

HOW TWO BEAUTIFUL WOMEN ESCAPED DREAD CATARRH BY USE OF PE-RU-NA.

Catarrh Robs Women of Health and Beauty. Pe-ru-na Makes Women Healthy and Beautiful.

Miss Amanda Johnson.

Miss Flora Hauser, 1022 S. New Jersey Street, Indianapolis, Ind., writes:

"I think I must have been troubled with catarrh ever since I was very young, aggravated each time I caught a cold. This did not prove sufficiently serious to be noticed until last winter. Then my head and nose were so stopped up that I felt I must do something. Peruna was recommended to me by a friend. I used it for four weeks and found to my relief that it cured me. I have not had a bit of trouble since. My head is clear, and I can safely affirm that Peruna cured me."—Miss Flora Hauser.

Hundreds of Women Cured by Pe-ru-na of Annoying Catarrh.

DR. HARTMAN has probably done more than any other physician toward popularizing a means of escape from the facial deformities, such as watery eyes, twisted nose, offensive breath, dry cracked lips, due to the ravaging effects of catarrh. He has made chronic catarrh a life-long study. His remedy, popularly known as Peruna, is the most famous remedy for catarrh in existence. Probably there is not a man or woman, boy or girl, within the bounds of the United States that has not heard of Peruna. By far the largest majority have used Peruna. The multitude of people that have been cured of chronic catarrh by using Peruna can never be known.

No Woman Afflicted With Catarrh Can Be Either Beautiful or Attractive.

Miss Flora Hauser.

Many a girl has regained her faded beauty, many a woman has lengthened the days of her comely appearance by using Peruna. Peruna produces clean mucous membranes, the base of facial symmetry and a perfect complexion. The women have not been slow to discover that a course of Peruna will do more toward restoring youthful beauty than all the devices known to science. While it is true that Peruna cures catarrh wherever located, yet it is advisable for everyone to use Peruna as a preventive and not wait until catarrh

has fastened itself in some part of the system. Peruna acts quickly and beneficially on the inflamed mucous membranes lining the different organs of the body. Thus it will cure catarrh wherever located. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
